Students Details with signatures:

Student 1 Manisha Gupta (2203496)

Student 2 Navjot Kaur (2203510)

Student 3 Mohd Irfan (2203505)

Title of the Project: Scholarship System For GNDEC

Previous Objectives:

1. To implement a registration system for new applicants with document upload and edit functionality.

2. To enable admin to filter students by batch and branch, and access their previous records.

3. To implement notice board for scholarship updates and a chatbot facility to handle user queries.

Revised Objectives:

1. To implement a registration system for new applicants.

2. To implement a web portal for admin:

   a. To filter the student by batch and branch.

   b. To access the student records.

   c. To send reminder message to single/groups.

3. To implement a notice board for latest updates related to scholarship.
